

JOURNAL OF CONTEMPORARY ISSUES IN OPEN DISTANCE AND E-LEARNING

(JC-ODEL)

Copyright and Licensing Policy

Authors publishing in JC-ODEL retain copyright of their work, and the journal receives a license to publish and distribute the article. All articles are released under a Creative Commons Attribution License (CC BY 4.0), allowing others to share and reuse the work with proper citation. Authors may archive their manuscripts, reuse content in future works, and share copies freely. Readers may download, share, and reuse content under the license terms.

1. Copyright Ownership:

Authors publishing in JC-ODEL retain full copyright of their work. The journal does not claim ownership of submitted or published articles.

2. License to Publish:

By submitting an article, authors grant the journal a non-exclusive license to publish, distribute, and archive the work. This license allows the journal to make the article available in print and digital formats.

3. Open Access Licensing:

All articles are published under the Creative Commons Attribution License (CC BY 4.0). This license permits others to copy, distribute, display, and adapt the work, provided proper attribution is given to the original author(s) and source.

4. Author Rights:

Authors may archive preprints, postprints, and the final published version in institutional repositories, personal websites, or other platforms.

Authors may reuse content from their published articles in future works, including books, teaching materials, and presentations.

Authors may freely share copies of their JC-ODEL articles with colleagues, students, and the wider community.

5. Reader Rights:

Readers may download, share, and reuse articles under the terms of the CC BY 4.0 license.

Proper citation of the original work is required in all cases of reuse.

Readers may adapt and build upon published articles for academic, educational, or commercial purposes, provided attribution is maintained.

6. Third-Party Content:

Authors are responsible for securing permissions for any third-party material included in their articles. Such material must be properly credited and comply with copyright law.

7. Compliance and Best Practices:

This policy aligns with international standards for open-access publishing and ensures that scholarly work is widely accessible while protecting author rights.
